

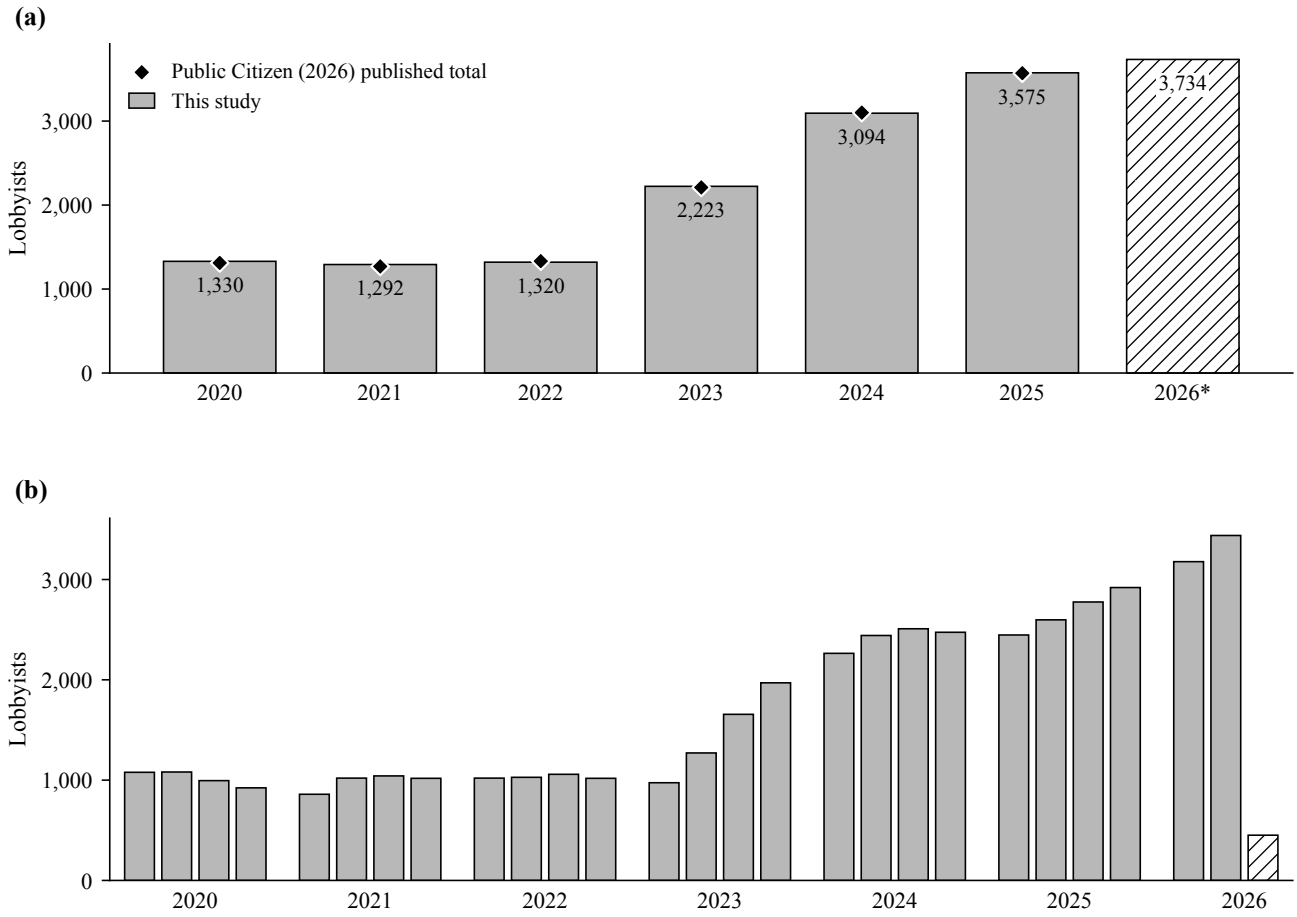

Figure 1. Lobbyists reporting AI-related lobbying, 2020–2026. (a) Unique lobbyists per year, each counted once per year. (b) Unique lobbyists per quarter, each counted in every quarter in which they appear. Counts include lobbyists named in quarterly LD-2 report issue sections whose descriptions mention artificial intelligence (or a variant), autonomous vehicles or systems, or data centers; amended reports replace the originals. Diamonds show Public Citizen's published yearly totals. Hatched bars and asterisk mark incomplete periods: reports for Q3 2026 were not yet due when the data were retrieved on October 15, 2026.
